

School Holidays begin tomorrow, March 24

23/03/2020

Dear Parents and Carers,

I am writing to confirm the government plans for schools for the rest of this week. School holidays will begin on **Tuesday 24 March**.

Students are due to return on 15 April, but this might change in these very uncertain times.

So we can keep in touch with students and families we are asking parents and students to download the free Skoolbag app. (See the information included with this letter.)

We also ask that you check our Website and Facebook regularly. From time to time we will send text messages and emails.
