

Principal's Message

Children will be supervised between
8.45 am and 3.45 pm each day

Week 1 Term 2

Welcome back to another exciting Term of learning opportunities for everyone. The learning that our staff have planned this term for students will enable them to continue to make progress. I am sure they will be motivated to approach each day with enthusiasm and passion.

School Attendance

For your children to continue to improve in all areas of their learning it is essential they attend school.

If we add up the absences for many of our students it totals **3 or more weeks in a year**. If this level of absences continues a child (*maybe your child*) will miss **half a year of school by grade 6** and is likely to have large gaps in their learning that will make it difficult for them to continue to improve.

SCHOOL TIMES

9.00am – 3.30pm (Students SHOULD NOT arrive at school before 8.45- if they do they will have to go to Good Morning Club)

Students need to arrive before the bell rings – your child's best learning time is at the start of the day!

Please ring the School Office 9792 2868 if your child is away for any reason.

Bounce back Messages

It's important to think for yourself.

If other people try to convince you to take part in bullying someone, don't just do what they tell you to do. Think for yourself and do what is right and don't just go along with what other children are doing.
