PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Dandenong West Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Dandenong West Primary School grounds are supervised by school staff from 8.50am until 3.45pm. Outside of these hours, school staff will not be available to supervise students.

Before school students will be supervised entering the school from 8.45 – 9am at 8.50am classroom doors open and all students are required to be inside their classroom to get ready for the days learning that begins at 9am. After school gates will be monitored from 3.30-3.45pm. Any student who has not been collected by 3.45 will be supervised at the Office while they wait for their parents/carers/drivers to collect them.

Parents and carers will be advised through regular reminders in our newsletter that they should not allow their children to attend Dandenong West Primary School outside of these hours. Families will be encouraged to contact the school office on 97902 2868 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

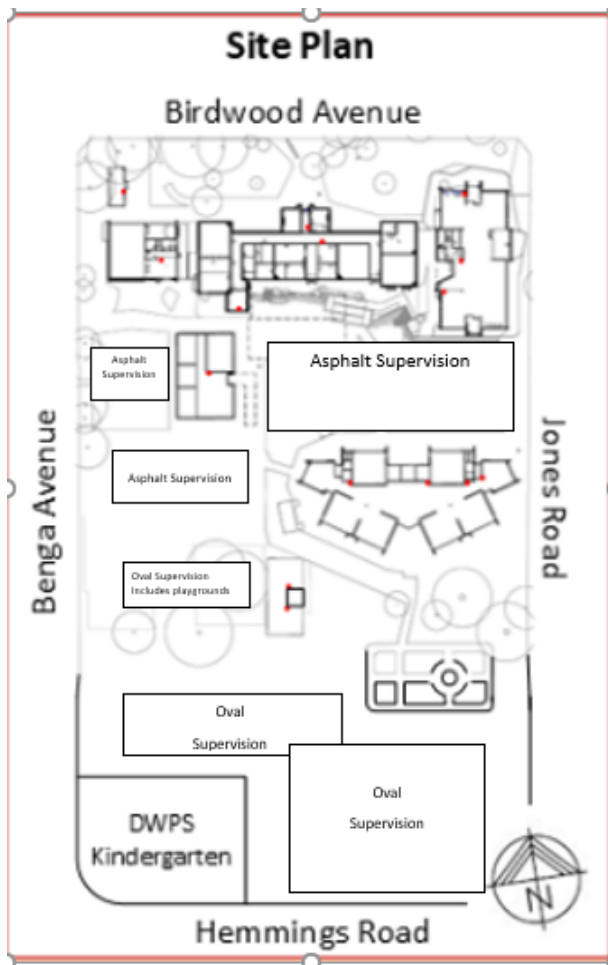

All staff at Dandenong West primary School are expected to assist with yard duty supervision and will be included in the Term roster.

The Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Dandenong West Primary School, school staff will be designated a specific yard duty area to supervise OR be allocated 'roaming' duty or asked to monitor a specific student.

Yard duty zones

The designated yard duty areas for our school as at insert date eg Term 3, 2022 are:

Zone	Area
Zone 1	Oval - including playgrounds
Zone 2	Asphalt area – including half court

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in resource room.
- carry a yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in resource room.
- a first aid station is located in the undercover area. Students should be directed to it as first, the staff member allocated to that role will decide if the student should be referred to the Office to receive aid in the Sick bay.

Each staff member will be supplied with a high-vis vest and a first aid bag. Additional vests and first aid bags for CRT's etc are stored in the resource room and should be returned to the Office at the end of the day.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students.
- where safe to do so. Approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and pick up periods)

- **be alert and vigilant**
- **intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard**
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant measures set out in the school's Student Engagement and Wellbeing policy.
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Sentral

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but **must not leave** the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should contact the Assistant Principal or Office, etc **and not leave** the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

Any student who leaves the classroom for any reason should be accompanied by another student.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact a member of the Leadership Team or the school Office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved and will follow the supervision requirements in the Department of Education and Training Excursions Policy.

Digital devices and virtual classroom

Dandenong West Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Dandenong West Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in designated learning space while at school.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department of Education and Training.
